

Board of Selectmen
Meeting Minutes
March 30, 2011
4:30p.m.

- I. Call to Order/Roll Call: The meeting was called to order at present: Dorr “Skip” Wilson, David Minctons, Trudy Bickford, George Jellison, Jr., Ralph Dunbar, Jr., and Robin M. Bennett, Town Manager.

Bennett said there were changes to the school budget reflected in the new budget copies she circulated. The Warrant Committee made a recommendation that was the same as the School Board’s recommendation. Bennett reflected these changes in the final complete draft of the Warrant. Board needs to make a recommendation on the school budget. There is a public hearing scheduled for April 19th. Wilson wants a Q & A before Town Meeting. He suggested a notice in the Warrant introduction. The Board agreed to start at 5pm prior to Town Meeting at 6pm, and Bennett will put a notice in the Warrant. Dunbar wants a notice on the public hearing as well. Board reviewed the School budget. Board asked Dianne Helprin to join the meeting to review the changes that had been presented by the School Board yesterday. Some numbers do not add up. Helprin was unsure why. Dunbar asked if, even though there are wrong numbers, does the bottom line add up? Bennett checked the total and they do add up to the final number. Board reviewed articles 15 – 17, and they are ok, as are articles 18-19. General government: this item was reviewed at prior meetings. Bennett said nothing after the school articles was changed in this Warrant. The Article 66 figure will change to \$750,000, and the rest of the articles remain the same.
